**On World Milk Day**, join millions of others to 'Raise A Glass' as we connect with people and dairy companies around the world to share stories about the goodness of milk, the farmers who produce it and the people who enjoy it in our communities, schools and homes.

Between now and midnight on June 1, send us a picture of you, your friends or your family raising your glasses and toasting the goodness of milk. Send your photos to [myco-op@fonterra.com](mailto:myco-op@fonterra.com) or upload at <https://fonterra.shuttlerock.com/world-milk-day> and you're in the draw.

On June 1 you can also share your photos on social media using the hashtag #worldmilkday or @worldmilkday  
Join the 'Thunderclap' on the World Milk Day website <http://www.worldmilkday2017.com> before June 1 and on World Milk Day the Thunderclap will automatically post a message from your social media account showing your support.
