## Z Energy on farm fuel offer replaced by Allied Petroleum

### What is happening?

Z Energy “Z” has exited the On Farm Fuel market. This means that the On Farm Fuel bulk delivery offer with Farm Source will end on Wednesday, 18th December 2024 and customers will no longer receive deliveries from Z.

### What does this mean?

- We have partnered with Allied Petroleum “Allied” who will take over the deliveries from Z Thursday, 19th December 2024.
- This new offer will be available nationwide.
- All customers that transition to Allied will receive a \$100 loyalty credit\*.
- To ensure no disruption to your service and to continue to bill your On Farm Fuel deliveries through your account with Allied, the service will automatically transfer to Allied unless you opt out. **We will still need to confirm the fuel delivery set up with you before we can deliver your fuel, please ring us on 0800 731 266.**

### What do I need to do?

- On the 3rd December, you’ll receive an email and SMS message on the 6th December notifying you of this change and requesting that you indicate whether you’re happy to move to Allied or whether you’d like to discuss other options.

- Within the email you'll have an option for a call back, if you have any queries or do not want to transfer.
- If you're happy to receive delivery from Allied, we'll confirm your fuel delivery set up information to ensure the tanker drivers don't have any issues.
- If you want to review alternative options, we'll discuss these with you and arrange for an alternative provider to arrange supply. To do this, please ring us on 0800 731 266.
- Our service centre will also actively be ringing customers in the weeks before the transfer.
- If you don't receive an email or SMS message, please call us on 0800 731 266.

### How does the price compare between Z and Allied?
